

# PAYE, Benefits and NIC Healthcheck

## Do you have clients who...

- Send their year end forms in late?
- Have difficulty completing their year end forms?
- Have not received a recent visit from HM Revenue & Customs (HMRC)

If so, the chances of an HMRC compliance visit are greatly increased and mistakes, however innocent, can result in interest and substantial fines.

Defuse potential problems NOW! Offer your clients' peace-of-mind with the help of Mercia's PAYE, Benefits and NIC Healthcheck. Our risk assessment documentation will assist you in offering an invaluable service to your clients.

### It will allow you to:

- Identify potential problem areas and weaknesses
- Resolve any issues before an HMRC visit.

### In addition the Healthcheck can be used as part of:

- A damage limitation exercise after an HMRC visit
- An expenses policy review and dispensation application
- A P11D review
- A due diligence exercise
- An audit /accounts preparation.

## The Healthcheck includes:

- A marketing letter to help you make clients aware of the service you can offer
- A short PowerPoint presentation to help you sell the service
- An engagement letter
- Risk assessment checklist
