The annual membership fee is based upon the size of individual firms as detailed above. All professional staff should be included on the membership form, not just those who will be attending courses. Professional staff are those who undertake the normal professional work of an accountancy practice, therefore excluding receptionists, secretaries, administrative staff and keyboard operators.

As you are no doubt aware, the new CPD rules apply to all members, whether in practice, industry or commerce. As a result you may have a number of clients who are now looking to satisfy their CPD requirements by attending courses. Whilst our courses are predominantly aimed at those working in practice, a number of accountants from industry do attend and find them very useful. You may therefore be interested in offering your clients the opportunity to attend our courses by including them in your training group membership. If you have any questions please email liz.coates@merciam-group.co.uk or call her on 0116 258 1200.
